| Winery               | Biologischer Weinbau Demeter Weingut Doris & Hager Matthias |
| Wine area            | Kamptal, Austria                                            |
| Wine type            | White wine                                                  |
| Grape varietal       | Riesling                                                    |
| Quality level        | Qualitätswein                                               |
| Keywords             | old grapes                                                  |
| Sweetness            | dry                                                         |
| Contents             | 0.75 liter                                                  |
| Alcohol level        | 12.5 vol%                                                   |
| Acid                 | 4.8 g/l                                                     |
| Rest sweetness       | 14.4 g/l                                                    |
| Dish                 | desserts                                                    |
| Vineyard site        | Kremsthal                                                   |
| Soil                 | Loam                                                        |
| Drinking temperature | 10 °C - 12 °C                                               |
| Aging ability        | To 2025 years                                               |

The Riesling Alte Reben 15 was partially fermented on the mash (10%) and partly stored in oak barrels. Spontaneous fermentation has stopped at around 14g / l of residual sugar as in previous years, which is why the Riesling Alte Rebe is half-dry. Due to the complex structure of the wine, the sweetness is a great complement to the fruit, minerality and the fullness of the wine. The Riesling Old Vines is wonderful to drink alone, as a liquid dessert or fruity desserts, he fits very well.
