The Grüner Veltliner variety 2016 smells of elderflower, passion fruit and a little spice. He has a nice full-bodied, fruity-spicy taste with a strong body and a long finish. A full-bodied, dense wine with a lot of character. The Veltliner stands out not only by its taste, the bottle was decorated with a special ground color image. The picture was made from home-grown colors from their own Mollandser floors and painted together with the Caritas Schloss Schiltern in a workshop with residents and their carers. For each bottle sold, an amount goes to Caritas Schloss Schiltern in return. www.schiltern.caritas-stpoelten.at
