Acid	6.3 g/l
Rest sweetness	34.3 g/l
Vineyard site	Hiesberg
Soil	Loam, Schist
Drinking temperature	12 °C - 14 °C

The mixed set is not a cuvée: here, the different varieties grow together in a vineyard and are also processed together. Previously, at times when the unmixed expansion was not a matter of course, this was a standard in viticulture. In our mixed set are typical varieties from the region: Frühroter Veltliner, Rivaner, Pinot Blanc, Grüner Veltliner, Riesling, Sauvignon blanc, among other 40-year-old vines. These are from a very northern vineyard - loamy soil / mica schiefer. Der mixed set fruit sweet is as its name suggests very fruity, lovely, mineral and beautiful full-bodied with a long finish. It is easy to drink and impresses with its harmonious interplay of fruit, mineral and sweetness. The mixed set of fruit sweetened drinks well solo and goes well with spicy dishes with lots of vegetables.
