Soil	Loam
Aging	Stainless steel tank
Drinking temperature	6 °C - 8 °C
Aging ability	1 years - 5 years

Pétillant Naturel ("sparkling natural"), without added sulfur or sugar, spontaneously fermented with invigorating, natural carbon dioxide, naturally cloudy. Lots of fruit, more residual sweetness than in previous vintages, notes of yeast on the nose, hints of grapefruit and herbs, a hint of sour cherries deep in the glass; moderate natural carbon dioxide, extremely juicy, sweet and encouraging to drink, digestible, unusual! Makes you want more - much more.
