Acid	5 g/l
Rest sweetness	1.86 g/l
Dish	scallops
Vineyard site	Leithen
Drinking temperature	12 °C - 14 °C

The Riesling PUR is a so-called "Orange Wine". It was fermented with the peel like red wine, and no sulfur was added throughout the vinification. That is the reason for its amber color and also for the name "Orange Wine". Important requirements for such a wine are healthy grapes and a stony soil. After fermentation, the wine was filled into oak barrels for the further, slow maturation process. The Riesling PUR 2015 is characterized by intense aromas of herbs and ripe fruit with pleasant rounding tannins. The mineral and spicy notes and its long and slightly bitter finish make the wine an excellent food companion. Try the Riesling to oysters! In addition, the Riesling PUR has high storage potential.
