Allergens: Contains SULFIT delicately fragrant in the nose-filling wine with elegant acidity. Enjoy a sociable round. Storage recommendation: This wine is consumable immediately after purchase and can be stored Single layer Gold droplets The unique Mosel arch in Piesport opens exactly south. The sun warms up the slate, with the water surface of the Moselle reflecting the rays in addition to the steep slopes. The forests above the vineyards and the deep clay slate ensure good water balance of the soil.
