Alcohol level	13.5 vol%
Vineyard site	Ried Sonnleithen
Closure	Screw cap
Soil	Loess
Aging	Stainless steel tank
Drinking temperature	10 °C - 12 °C

Location: The grapes for this wine come from one of the best locations in Wagram ob der Traisen, where some over 30 years old vines ensure an annually high quality, namely from the Riede Sonnleiten. Here slope slopes inclined on the southeast side and deep loess soil ensure best maturity grades. Vinification: Selection of the best positioned grapes, rubbed, crushed, short maceration time, gently pressed in pneumatic press, temperature-controlled fermentation in stainless steel tank. Then matured in stainless steel tank. Serving suggestion: Serve cool (10-12 ° C), all-rounder that will accompany a variety of dishes well: numerous cold dishes, from light meat to everything baked.
