SPARKLING WITH PEPPER When the Veltliner makes "bubbles" ... it really tingles in your mouth! Crunchy, cheeky and wonderfully fresh, the sparkling water dances on the tongue, showing the palate that secco can also be spicy. Ripe peaches meet yellow spice, on the palate moist clouds of mist gather and envelop everything mystically smoky. Not a trace of sweetness, but all the more character that the self-confident sparkling fizzy shows open-heartedly. Next generation secco!
