Hager Rot 2017

Winery	Biologischer Weinbau Demeter Weingut Doris & Hager Matthias
Wine area	Kamptal, Austria
Wine type	Red wine
Grape varietal	Zweigelt (Blauer Zweigelt), St. Laurent, Sonstiges
Quality level	Qualitätswein
Keywords	Cuvée
Sweetness	dry
Contents	0.75 liter
Alcohol level	12 vol%
Acid	5.6 g/l
Rest sweetness	1 g/l
Dish	venision, cheeses
Vineyard site	Leithen, Hiesberg, Soos
Soil	Loam, Schist
Aging	Small oak barrel
Drinking temperature	From 18 °C
Aging ability	To 2027 years

The Hager Rot is a blend of Zweigelt, St. Laurent and Pinot Noir. This high-quality blend was created through the harmonious interplay of these red wine varieties, the special care of the vineyard and the right accompaniment of the wine in the cellar. The Pinot Noir in particular requires the highest quality locations (barren, flint-containing, gneiss weathering soils with southern slope orientation). The grapes grow at 350-400m above sea level on clay and mica slate soil. After thorough selection by hand and spontaneous fermentation, the Hager Rot was allowed to mature in small used oak barrels for 18 months and was then filled into the bottle. The Hager Rot is a relatively light, yet full-bodied, fruity red wine with soft tannins and a long finish. It goes well with game dishes, cheese and is also a pleasure on its own.
