Sweetness	dry
Contents	0.75 liter
Alcohol level	13 vol%
Vineyard site	Seeberg
Drinking temperature	12 °C - 14 °C
Aging ability	To 2028 years

The Seeberg Veltliner 19 consists of 100% Grüner Veltliner grapes. After the harvest, there was a short maceration period before it went into the press. After spontaneous fermentation, the wine was transferred to a large oak barrel where it was allowed to mature and develop for 1 year before being bottled in September 2019. A post-ripening of 1-2 years is recommended or decanting before opening is certainly good, as it only unfolds its full splendor with a little air. The Seeberg Veltliner 19 is a great accompaniment to spicy, slightly spicy food.
